25X1 6. [] (SW) Talked with Mr. Woodruff, Senate Appropriations Committee staff, who furnished background as to why Senator Russell had to cancel our scheduled budget hearing of last week. Woodruff also indicated that he thought it safe to say that the CIA Subcommittee was completely negative in restoring any of the House cuts in the Agency budget. Further, they did not restore the one-fourth fiscal year allocation for RDC in DOD indicating that they could find the money elsewhere in the DOD budget. Mr. Woodruff said he would estimate as of this time that the Subcommittee would probably approve the Agency budget in line with the House action and that he would raise the question with Senator Russell so that we would know where we stand. He indicated there is a possibility that we might be called on for our hearing some time next week which would be after the Senate floor action on the DOD bill but before final House/Senate conference action.

25X1 7. [] (SW) Mr. James Kendall, Senate Preparedness Investigating Subcommittee staff, advised that Admiral Sharp will be the lead off witness in the Subcommittee hearings on the effectiveness of the bombings in North Vietnam. He indicated that the Chairman of the JCS will be invited and that the Secretary of Defense will be offered the opportunity to appear. He advised that in line with our previous discussions he had discussed with Chairman Stennis the question of the Agency's appearance and that Stennis had agreed that this would not be necessary.

25X1 8. [] (LLM) Miss McNamee, in the office of Congressman Samuel S. Stratton (D., N.Y.), called to get in touch with []. 25X1
After a check with Personnel, Miss McNamee was informed that we had no record that [] is currently employed by the Agency. Miss McNamee thanked us for our help and noted then that [] had apparently left our employ. 25X1

25X1 9. [] (LLM) Received a call from the office of Congressman John Zwach in connection with the 17 August breakfast briefing. We will probably be called tomorrow on whether the Congressman's schedule will permit him to attend.

25X1 10. [] (JGO) In response to her telephone call this morning, met with Miss Dorothy Fosdick and received from her a copy of a letter [] to the Office of Personnel. See Journal of 3 August. 25X1
